

# Southeast Regional BNASAA Conference 2017

Weaving Spiritual Forces into a Community Fabric  
of Healing, Connection and Service

Magdalene Carney Baha'i Institute  
West Palm Beach, Florida

Thursday, November 9 - Sunday, November 12

The Baha'i Network for Aids, Sexuality, Addiction and Abuse (BNASAA) invites Baha'is and friends facing challenging personal issues to explore the Writings, pray, share and learn in a nurturing spiritual, healing confidential environment. The BNASAA conference is a group experience that begins Thursday evening with interactive opening activities and continues through closing on Sunday. Each part of this process has evolved over time as a way to create a safe environment that provides healing support for participants. This is a unique conference that is structured to provide a loving environment for any soul who gathers to heal, share and learn from the foundation of the Creative Word. All issues and concerns are discussed in light of the Writings of the Central Figures and the guidance of the House of Justice. To preserve confidentiality and ensure a safe environment for all, participants are asked to attend the entire conference.
